

Propane gas customers in Tokyo

propane gas bills from January to March will be discounted

The Tokyo Metropolitan Government is discounting propane gas in order to reduce the financial burden of Tokyo residents and businesses affected by the rise in propane gas bills.

Eligibility

Anyone who uses propane gas at home or for business purposes such as restaurants

Amount discounted

Up to 3,000 yen in total

※ The amount discounted and the start/end date of the discount depends on retailers.

The amount discounted will be equal to the invoiced amount if the propane gas bill is lower than the amount discounted.

※No action is required on your part

If you have any questions, please contact your local propane gas retailer.
