

## **The Status of Carbon Offset Credit Offerings for Achieving “Tokyo Zero Carbon 4 Days in 2020” and Cooperation in the “Carbon Offset at Tokyo 2020 Games” Program**

As the host city for the Olympic and Paralympic Games Tokyo 2020, the Tokyo Metropolitan Government (TMG) has invited facilities covered by the Tokyo Cap-and-Trade Program to cooperate by donating carbon offset credits for the hosting of the Games.

The current status of cooperation in the program is shown below.

We would also like to express our gratitude to cooperating businesses and call for cooperation in this program continually.

### **1 Status of Carbon Offset Credits Offerings**

1,640,463 t-CO<sub>2</sub> (as of June 2019)

Please see below for cooperating businesses

### **2 Projects Calling on Businesses for Cooperation**

#### 1) Achieving “Tokyo Zero Carbon 4 Days in 2020”: 720,000 t-CO<sub>2</sub>

Efforts to offset all CO<sub>2</sub> emissions generated across Tokyo during the four days of the opening and closing ceremonies of the Tokyo 2020 Games (approximately 720,000 t-CO<sub>2</sub> equals 4 days’ worth of emissions)

#### 2) Cooperation for “Carbon Offset at Tokyo 2020 Games”: 2,930,000 t-CO<sub>2</sub>

Cooperation in efforts to “Implement the carbon offset for CO<sub>2</sub> emissions related to the Tokyo 2020 Games” (the amount of CO<sub>2</sub> generated through hosting the Tokyo 2020 Games is estimated at 2,930,000 t-CO<sub>2</sub>\*)
