

Request for Cooperation on Tokyo Zero Carbon 4 Days in 2020 and Carbon Offset Programme for the Tokyo 2020 Games Collecting Carbon Credits

Programs

Tokyo Metropolitan Government (TMG) will use the donated credits for the following two carbon offset programs:

(1) “Tokyo Zero Carbon 4 Days in 2020”

Program that offsets all CO₂ emissions that are expected to be generated across Tokyo during the four days of opening and closing ceremonies of the Olympic and Paralympic Games (Tokyo 2020 Games)

* Expected CO₂ emissions across Tokyo during the four days: Approx. 0.72 million tCO₂e
(Approx. 0.18 million tCO₂e/day × 4 days)

(2) “Carbon Offset Programme for the Tokyo 2020 Games” as targeted by the Tokyo Organising Committee of the Olympic and Paralympic Games (Tokyo 2020 Organising Committee)

Cooperation in efforts to “implement the carbon offset for CO₂ emissions related to the Tokyo 2020 Games” as cited by the Tokyo 2020 Organising Committee in “Tokyo 2020 Olympic and Paralympic Games Sustainability Plan Version 2 (in June 2018)

* Total expected CO₂ emissions related to the Tokyo 2020 Games: Approx. 2.93 million tCO₂e
(Estimated as of June 2018. Construction of facilities: 1.58 million tCO₂e, operation: 0.53 million tCO₂e, spectators: 0.82 million tCO₂e)

* Carbon Credit

Carbon credits refer to the CO₂ reductions achieved through the measures of facilities covered by the Tokyo Cap-and-Trade Program. Credits are tradable among third parties after verification.
